are looking for a profit-  
able investment. If none

#### POSTMASTER SHOULD KNOW.

Much is Expected of Our Pub-  
lic Servants.

The postoffice here received the  
following postal card to-day.

"Postmaster, Please forred  
my male to Portales,  
N. M.

Portales, N. M."

Now somebody at Portales is  
going to be disappointed, and  
perhaps somebody up there will  
bemean the Roswell postoffice  
force to every uncomplimentary  
thing that can be found in his  
vocabulary, because his mail is  
not forwarded as directed.

And really, come to think of  
it the Postmaster should know  
the handwriting of everyone in  
the country, then the name sig-  
nature would be unnecessary.  
Doubtless the Portales individ-  
ual acted on this theory. But it  
is doubtful if he will receive his  
mail until he lets his name be  
known.

#### Poll Tax Notice.

so that all who are due a poll  
tax to The Board of Education

your other taxes, but a separate  
receipt will be given. Neglect  
to pay your poll tax within  
the next sixty days will be con-  
sidered as a refusal to pay.
